UK MOD Helicopter Aircrew Training Programme

As you know I am about to retire so I would like to place on record how grateful I am for your cooperation and flexibility in arranging Mi17 helicopter training courses for British aircrews at Kremenchug Flight College.

The courses at Kremenchug have fully satisfied our training requirements over the last two years and I am confident that they will continue to do so in the foreseeable future. You have been very flexible and highly efficient in arranging dates and providing the necessary paperwork to enable our crews to travel to the Ukraine. Our UK programme is dependent on the quality and timeliness of the training of our crews and Concord XXI has provided an excellent source of quality courses.

On behalf of the UK Ministry of Defence I acknowledge the outstanding service which Concord XXI Inc has provided and in particular the efficient and flexible support provided by yourself.

Sincerely

Ian M Robertson
